

*“Advice and counsel that is concise, timely,
on-point and cost-effective.”*

Scharf Banks Marmor's mission is to deliver service excellence and earn the partnership loyalty and trust of our clients. Our values drive our mission and are the foundation upon which we built our Firm:

- We learn our client's business.
- We always remember the goals of the client or the case, and find ways to exceed their expectations.
- We always seek ways to help clients or potential clients.
- We stay alert for new technology or procedures that improve our client services and share that information throughout the firm.
- We try to anticipate the needs of clients and attorneys and plan ahead.
- We strive to be leading authorities in our fields.
- We hold leadership roles in charitable and community organizations.
- We work to improve all of our activities and welcome constructive criticism.
- We treat colleagues in the Firm with respect and appreciation.
- We always work as a team and get help when we need it.
- We never compromise the excellence of our work.
